

Manufactured and Certified to the ISO 9001-2000 Quality System

Longleaf Collection takes great pride in manufacturing a quality product that is offered in the custom hardware market place. This commitment to quality is more than words, but is cultural to the way we do business. The products that are provided under the Longleaf Collection name are manufactured under the stringent requirements of ISO 9001-2000 (so to comply with ISO-9001-2008).
